

Sci-athon Sample Itinerary for Participants

Get ready for an exhilarating journey of scientific creativity at Sci-athon!

Team Leader Meeting (week of Sci-athon): < 1h meeting to discuss the logistics and connect with other team leaders.

Day 1: Innovation Unleashed

9:00-10:30 am – **Sci-athon Kickoff** (breakfast provided, an introduction to the event, and a team-building activity)

***required event**

Collaboration on team proposals throughout the day is strongly encouraged. Teams have flexibility in determining specific working hours to accommodate individual commitments.

3:00-4:00 pm – **Coffee Break** (check-in with organizers for guidance, winners of team-building activity announced)

Day 2: Presentation Excellence

Collaboration on team proposals throughout the day is strongly encouraged. Teams have flexibility in determining specific working hours to accommodate individual commitments.

10:00-11:30 am – **Presentation Practice** (Participants are encouraged to continue working through their proposals and to practice their presentations with team leaders)

12:00-1:00 pm – **Lunch** (Event participants and judges encouraged to attend)

1:00-3:30 pm – **Sci-athon Presentations**

***required event**

3:30-4:30 pm – **Panel Discussion** (professionals relevant to the Sci-athon theme selected to participate on a panel)

5:00 pm - Cap off the event with an informal outing!
